

Dear Valued Industry Partners,

I would like to take this opportunity to thank you for your generous support of the IIDA Illinois Chapter over the past years. Through your support our Chapter has been able to strengthen the image of the profession of interior design through educational, social and legislative events across the state.

As a Chapter Partner, your funds help support the following;

- CEU Programs for members to expand their knowledge base
- IIDA Illinois website, Publications and Development
- IIDA Illinois Graphics, Identity and Branding
- Quarterly Newsletter that keeps our membership up-to-date
- IIDA Foundation grants to designer for NCIDQ test reimbursement
- Student Portfolio Reviews and Mentoring
- Michelle Roberts Student Award for Tuition Reimbursement
- Funding of Legislative Initiatives to maintain our status as Registered Interior Designers in the State of Illinois

Please consider supporting the IIDA Illinois Chapter by becoming a 2012 Chapter Partner. This request for support offers your company an entire year's worth of participation and advertisement to our data base of interior designers in communities across the state. Your company name will be seen on a variety of IIDA Illinois Chapter communications, emails, invitations and events in 2012.

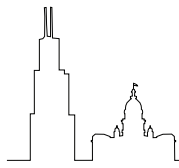

Each Partnership Level has its own distinct benefits designed for various budgets. Please review the attached Partner level and benefits to select the one that is right for your company. If you are unable to support at these levels, there are still other opportunities for sponsorship for the local City Center events throughout the year.

The success of IIDA and the future of Interior Design are built from the contributions of its members and the continued support of its Industry Partners. Please complete the attached Partnership Registration Form and become an active participant in the IIDA Illinois Chapter. For further questions or to become a partner, please contact our Director of Sponsorship, Michele Rust at 312.961.0661, or the IIDA Illinois Chapter Office at 815.464.0785.

Best Regards,
